

March NBCC Drive

Four teams of two made the trek to Crossville on March 31 for what turned out to be a great drive. Wally Wilson and his friend Garry in Wally's TVR, Marv and Deb Appleton in the Jensen Healy, Ian and Karen Levitt in the TR4A and Andy and Susie Adams in Andy's TR4.

Started out foggy and the tops were mostly kept down due to complaints from navigators. We hit some back roads and some highways – took 3 hours to make the trip. Lots of flowering trees and GREEN fields. Here are some pics enroute:

The Bash had a good turnout – folks from several clubs were there – Plateau Club, Southern Club, Bristol Club, Jaguar Club, Nashville Club, Marysville Club and on and on – even one from the Northern Alabama Huntsville Club. Total of 48 cars. Lake Tansi was a great site and many thanks to Charlie and the folks at the Plateau Club for hosting the event.
